Clare, thank you for convening the conference call today and giving us the information about CEQ's plans for 3 NEPA rulemakings. I'm hoping you can convey our thanks to CEQ and also our request for details about the second and third rulemakings, as those are going to be very important for our clients to decide how to proceed in the litigation. Particularly for the second rulemaking, the parts of the 2020 Regs that CEQ wants to address more quickly, details of what parts of the 2020 Regs will or will not be addressed, repealed, or re-instated. Thanks again, Kristen
